'For I know the plans I have for you', says the Lord, 'plans for peace and to give you a future and a hope.'
Jeremiah 29:11

Our house was full most of the year. The Residents received housing, transportation, medical care, discipleship, grace and love. The impact extended to their children, families, and friends. There is a ripple effect to the work that God is doing in each of our lives.

Our first resident, will be moving into her own home soon. She is ready. Your support has provided the time and a place for healing and transformation.

We had to turn 35 women away because of lack of space. That led us to began sharing a vision to expand our services and building capacity to serve more women.

We remember that God has a future and hope for RGM and especially for the women that we are honored to serve.

Thank you for making all of this possible!
